New Business:

Need an updated fee schedule and bond amounts. This shall be updated on the website.

Brandon agrees with the requirements for a permit that were discussed on the 5/8/23 meeting.

Brandon is sending a welcome packet to new residents with the ordinances included.

Parking & speeding violations should follow the vehicles license plate.

Violations – warning/ Scalzo sends a certified letter/ Hearing in front of the board.

Fee's for lost beach passes/tags/boat launch keys. Increase to \$200.00 in an attempt to make it cost prohibitive to residents who are selling them to non-residents?

Reasonable deadline on picking up yearly beach passes/keys/buttons.

Porta-potties not visible to the public/ out of view/ reasonable effort to minimize disruption to neighbors.

Charter considerations:

Board meetings are currently held on Wednesdays only. Possible to alternate days to allow for the most attendance?
